

28th Annual
Community Training Class

September 2- October 21, 2010

Thursdays, 6:30 - 9:00 p.m.

FEE: \$75 General or \$120 for 20 CEUs

\$60 refundable for volunteers after three months of service

925-829-8770

Hospice care empowers family members as well as medical professionals to offer comfort and dignity to patients facing the final stages of life. Comprehensive information on the practice and philosophy of providing hospice care will be presented by professional guest speakers and qualified hospice staff.

Topics to be covered include:

- Hospice Definition and Philosophy
- Advanced Directives
What are they? Do you have one?
- Nursing in Hospice
Pain & Symptom Control
Basic Patient Care
Signs & Symptoms of Approaching Death
Practical Home Care Solutions
Dietary Issues
- Religious Panel Discussion
- Children's Grief - Panel Discussion
- Adult Grief - Adult Panel Discussion
- The Role of the Social Worker
- What Services Does a Mortuary Offer?
